

## **STATEMENT OF PURPOSE**

### **RS23391**

This legislation creates an America The Beautiful specialty license plate for an Idaho-based national charity, Live Laugh Love Give, Inc., which is a sister charity to Support Our Troops®, also in Idaho. The income from this license plate will be used by the charity to address the military community, children and family, and education issues. A four member Idaho-based advisory committee will allocate funds received to these causes. This legislation enables a charity and the government to cooperate for the benefit of the public without taxation of the public.

### **FISCAL NOTE**

There is no fiscal impact. Specialty license plate administrative costs are paid by the entity benefitting from plate revenue.
